Dear parishioners,

On this annual "Stewardship Sunday" I want to sincerely thank those of you who have been such good financial stewards this past year.

Many of you contributed generously to the Archdiocesan Capital Campaign, *One Faith, One Hope, One Love*. Your pledges and contributions to that campaign are assisting the training of future priests at Mt. St. Mary's Seminary, helping to support our retired priests, supporting the ministry being done at Catholic Social Services, and providing tuition assistance to students at our Catholic schools. In addition 20% of your donations are directly helping our parish, specifically with the much-needed and very costly exterior restoration of our beautiful church. I am so very grateful for your support of that campaign!

So many of you have also given generously in the Sunday collections. That money, of course, pays for the annual operating expenses of our parish including the substantial amount needed for the operation of our excellent school. Without your donations we could not offer the many ministries and programs which are required for a vibrant faith community nor celebrate our sacred liturgies in this magnificent church. Again, I am so thankful for your contributions!

To those who have not yet contributed to the Archdiocesan campaign, -- there is still time! Simply go to www.1faith1hope1love.org.

To those who have not been contributing your fair share to the upkeep of our parish, -- **please prayerfully consider what it means to be a good steward!** God has blessed each of us in different ways, but each is obliged to do his part to contribute to the common good. Please sign up for and utilize the collection envelopes, or the electronic giving program. Being grateful for what Our Gracious God has given to each of us, let each one "pay it forward"!

Blessed to be your pastor, I am

Rev. Greg Konerman
