

The Great Adventure Bible Study – You Are Invited!

At the heart of the Bible are the Psalms, prayers from God that help us learn to pray. The Holy Spirit inspired them. Israel sang them. Christ himself prayed them, as did our Blessed Mother. These sacred hymns become our heartfelt response to God's loving and wondrous deeds for us. This study will show you how to establish a deeply personal dialogue with God through the Psalms.

With *Psalms: The School of Prayer*, our Great Adventure through the Bible moves from telling the Story to making it personal. While the historical books of the Bible recount God's creative and redemptive acts in history, the Psalms reveal Israel's response to God's covenant offer and serve as a model for our response to Him. Indeed, one could say that the historical books tell the "outside" of the story of Israel by giving an historical perspective, while the Psalms tell the "inside" story, which comes from the deeply personal perspective of one who is seeking God. Our communication with God is enhanced by a deeper understanding of the book of Psalms and of the individual psalms that reside in each of our hearts.
